<b>NETWORK SERVICES CATALOG )</b>	<b>TC01-059</b>

On June 11, 2001, the South Dakota Public Utilities Commission (Commission) received a filing from Qwest Corporation (Qwest) for approval of revisions to its Exchange and Network Services Catalog. The purpose of the filing is to introduce N11 service. The specific N11 services being deployed are 211 service, 311 service, 511 service and 711 service. Qwest requests these services be accorded a fully competitive status. Qwest is asking for an effective date as early as possible after June 29, 2001.

On June 14, 2001, the Commission electronically transmitted notice of the filing and the intervention deadline of June 29, 2001, to interested individuals and entities. A Motion to Intervene was received from Sprint Communications Company L.P. (Sprint) on June 29, 2001, and a late filed Motion to Intervene was received from the South Dakota Department of Human Services (Human Services) on July 3, 2001. On July 10, 2001, the Commission granted intervention to Sprint and Human Services.

At a regularly scheduled meeting of July 24, 2001, Commission Staff requested that the tariff sheets that were filed on June 11, 2001, be suspended pursuant to SDCL 49-31-12.4 (2). Sprint and Human Services also requested that the tariffs be suspended. Qwest stated that it did not object to the suspension, noting that the FCC mandated that 711 service be implemented by October 1, 2001.

The Commission has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-31 and ARSD 20:10:01:15.05.

The Commission unanimously voted to suspend the tariff sheets filed on June 11, 2001, until September 30, 2001. It is therefore

**ORDERED**, that the tariff sheets filed on June 11, 2001, are hereby suspended until September 30, 2001.

Dated at Pierre, South Dakota, this 27th day of July, 2001.
